# OSS - Online-School-Saar

Dear legal guardians,

At the Gemeinschaftsschule Gersheim we use the learning platform “Online School Saarland” (OSS) provided statewide by the Ministry of Education and Culture. Many primary schools have already created access to OSS for your child. We can also adopt this for our school. !!This does not refer to the OSS Messenger account!!.

If your child does not yet have access, an e-mail address is required to register for Online School Saarland. The school will register you. Please fill out the relevant section!

---

## Please fill in if an OSS access already exists:

Username (First.Last):

Currently registered email address:

Name of previous school:

If you would like to provide a different email address:

The mail address should be changed as follows:

---

## If NO access exists yet:

The registration should be done with the following e-mail address:

ATTENTION: The email address may only be used for ONE pupil.

If the email address has already been used to register a pupil, please enter another address.
